## Of Mice and Women: Modeling Breast Cancer and the Environment Education Kit

### Order Form

The "Of Mice and Women" education kit is an innovative tool designed to engage the community on why mice models are used in breast cancer research. The kit includes a 35 minute DVD and a scientific glossary. The glossary is in color. The kit can be purchased two ways:

- The DVD and the scientific glossary can be purchased together for 25.00.
- The DVD can be purchased separately for \$15.00, and the scientific glossary will be emailed as a PDF for you to print.
